The desk box – organised flexibility

OBO in Aktion

These criteria distinguish the desk box and Flex duct for your planning activities:

Optional assembly with all Modul 45 devices.

Surge protection with visual signalling.

Simple click-in assembly.

Colour combinations for all office applications.

Optimised installation from the desk to the connection option.

Flex duct can be seamlessly extended to any length and installed in any direction.

Desk box easy to mount on or below desk.

Ground rail track prevents tripping on the Flex duct.
