Technical data sheet

Cap nut cable gland, metric thread, silver grey

Item number: 2022853

The quickest and most convenient way of providing strain relief and tightness with cable glands on junction boxes and housings is with the tried-and-trusted V-TEC VM cable glands from OBO. With the integrated sealing lip and the special OBO lamella technology, protection class IP68 is achieved. Strain relief and tightness have been tested to DIN EN 62444.

The connecting threads of the cable glands are metric or PG and are therefore suitable for universal use. Once screwed in place, the installation is there forever, as the optimum thread adjustment with the right pitch ensures permanent resistance to shaking.

Applications: From private housing with junction boxes up to industrial applications in the distributor cabinet.

Temperature range: -20 °C to +65 °C.

Master data

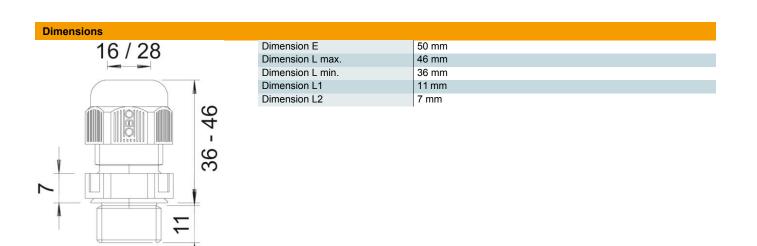

| Item number | 2022853 |
|---------------------------------------|-------------------------|
| Туре | V-TEC VM40 SGR |
| Description 1 | Cable gland |
| Description 2 | fully metric |
| Manufacturer | OBO |
| Dimension | M40 |
| Colour | Silver grey; RAL 7001 |
| Material | Polyamide |
| Smallest sales unit | 10 |
| Unit of quantity | Piece |
| Weight | 3.467 kg |
| Weight unit | kg/100 pc. |
| CO Footprint (GWP) Cradle-to- Gate | 0,1681 kg COe / 1 Piece |
