Fastening element for cable junction box on cable trays

Item number: 2007835

The fastening element BE TS KR can be used to attach OBO junction boxes, type T60 and T100, to all standard cable trays in a few actions, quickly and without tools.
This keeps the junction box securely in position. However, it can be quickly dismantled as necessary. This is all done without using tools.

Master data		
Item number	2007835	
Type	BE TS KR
